ASBESTOS REMOVAL

Wellington Insulation has been involved since the outset in 1981 in the safe removal of asbestos based building and insulation materials.

The company is both licensed to remove, transport and dispose of your asbestos using entirely its own resources.

ASBESTOS LICENCE NUMBER4840400652
WASTE CARRIER LICENCE NUMBERBUS/721230
ASBESTOS WASTE TRANSFER STATION LICENCE NUMBEREAWML47154

All work is carried out according to the strictest Health and Safety procedures, backed by independent laboratory confirmation and certification of standards. Work can be arranged to minimise client's exposure to potential dust hazard out of normal hours and in certain cases in an emergency to alleviate pressing asbestos problems.

Our long established client base again includes most West Midland and Welsh Local Authorities, Utilities and Local Commerce and Industry.
