CLADDING

Wellington Insulation are not only specialists in the removal of asbestos based cladding and roofs (corrugated sheets and insulating boards), but also in the replacement of such structures with more modern materials free of any hazardous substances.

Our services include:

- Free site survey.
- Removal of old cladding and support structures.
- Replacement of 'cladding and fixings. (particularly plastisol and PVC coated roof sheets).
- Refurbishments of coatings and finishings.
- Upgrade of buildings to latest B.S. Standards of thermal retention.
